Kate,

RE: PA/15/03561, Site at 14 to 16 Clegg Street, 13 to 15 Cinnamon Street and 125 to 129 Wapping High Street. Partial demolition of the existing buildings and redevelopment of the site for residential use (class C3) and retail use (class A1); hard and soft landscaping, cycle parking and all other works shown on the submitted drawings

Thank you for consulting Transport for London regarding the above mentioned application. The site is located above London Overground tunnels and therefore TfL are concerned with the impact of the development on the safe and normal function of the tunnel below.

TfL initially commented on the proposals above under PA/15/02440. However, the applicant withdrew that application and resubmitted it as PA/15/03561 with some changes. Having reviewed the details of this new application, TfL request council to retain our initial Infrastructure Protection comments.

Many thanks,

Tom
